

Functional Academics and Daily Living Skills Resource

Special Education and Learning Services

**Dufferin-Peel
Catholic District
School Board**

“For surely I know the plans I have for you, says
the Lord, plans for your welfare and not for
harm, to give you a future with hope.”
Jeremiah 29:11

Welcome To:

A Repository Of Functional Academics and Daily Living Resources

- This resource is intended to support student self-directed learning opportunities that are supported by parents/guardians during their absence from school.
- Please note that the websites collected in this resource are not DPCDSB approved and may involve the creation of a user account or in app purchases in order to access enhanced activities and therefore, should be used at the family's discretion.
- The contents of this resource include the following content areas: Literacy, Mathematics and Daily Living.
- To support student learning and engagement; websites, paper pencil tasks and hands-on learning activities have been included.
- Please use the table of contents to scroll through this resource.

Special Notations:

- Please note that some websites may require enabling Adobe Flash Player on the device.
- Families should be aware that some daily living activities included, may involve food sensitivities or food allergies for their young person.

Thank-you for partnering to support your learner at home!
